---

## PROFESSIONAL PROFILE

Passionate and motivated Year 12 A-Level student pursuing a career in Computer Science while working in hospitality and studying towards my private pilot's license. Hardworking student with a proven track record of good study-skills, excellent IT literacy and communication with my peers and eager to secure work experience in the Computer Science industry.

---

## EDUCATION

### The Sandon School, Essex

- **3 A-Levels (ongoing)** with high predicted grades in **Mathematics, Computer Science** and **History**
- **9 GCSES grade 5-9** in subjects including Mathematics, Science x3, English x2, Computer Science, History, Geography

## SKILLS

### DIGITAL SKILLS

Excellent IT proficiency, experienced in Microsoft Office & various software suites  
Experienced in programming languages such as Lua and Python

### COMMUNICATION

Good English skills  
Demonstrated exceptional communication skills in high-pressure environments, as evidenced by roles such as Kitchen Porter

### CRITICAL THINKING

Developed strong critical thinking abilities through ongoing training for private pilot's license  
Applied critical thinking skills to excel in Capture the Flag cybersecurity challenges demonstrating composure in uncomfortable environments

### SELF MOTIVATED

Displayed outstanding self-motivation through the initiation and completion of various coding projects such as a personal website from scratch  
Energetic in all environments and eager to start working

---

## WORK EXPERIENCE & PROJECTS

### The Lantern House, Essex

- **Kitchen Porter** (2023-current) > *Managed the cleanliness and organization of the kitchen within compliance of health and safety standards. Proactively assisted in food preparation as needed, all within a high-pressure environment during extremely busy hours.*

### PROJECTS/ACTIVITIES

- Coded a personal website from scratch using HTML and CSS which you can find at [alfiekingham.com](http://alfiekingham.com)
- Currently completing my private pilot's license (PPL) at North Weald Airfield, Epping
